

What is your denomination doing for you?

PC(USA) Supports Black Lives Matter

PC(USA) admits their part in racial injustice, white privilege, institutional & structural racism

PC(USA) admits its injustice to indigenous people and People of Color. Do you know what they are doing about it?

What is your presbytery doing to support your church? Your community?

Is your denomination speaking out against poverty and racism? Are they walking the talk?

How can you make a difference in your community? In your church?

How can you influence your denomination, presbytery, and church to make a difference?

How can you influence your denomination and presbytery to support your church?

What have you done to fight white privilege, institutional racism, structural racism, and poverty in your church/denomination? In your neighborhood? Is your church/denomination helping?
