Dear Dr. Priest,

On behalf of Faith Presbyterian Church, we are grateful for receiving the \$500 grant to support our ministry.

As we continue in this season of COVID-19 with its many uncertainties and hardships felt mostly by the under privileged and unemployed/underemployed, this grant was very timely and was immediately put to use. The money was designated to help a single mother of three (3) small children. Any remaining funds were used to help with our "Feeding Families" program.

We have been able to help sustain approximately 500 families with food and sometimes clothing during the course of the COVID-19 pandemic. Some of these families are from a community elementary school that Faith is in partnership with.

Again, Faith and I thank the National Black Presbyterian Caucus for the grant; and, we send special thanks to Elder Damon Bethea, Chair of the Finance Committee.

In The Lord's Service
