

Innovation In Ministry Award Honoree

The Reverend Kevin G. Perry

The Reverend Kevin G. Perry is the preacher for Grace Presbyterian Church in the Presbytery of the Peaks. Grace is a small church with a big heart. Pastor Perry has gone far beyond conventional ministry in caring for the flock at Grace.

Pastor Perry is actively involved with the young men teaching them how to work, taking them all on Men's Day for haircuts at his own expense and providing a nurturing environment for their development and encourages them to share thoughts and support of each other.

His teaching them to help the elderly by taking them to mow the lawns of our senior members has been a great experience with them and for our seniors.

Grace Presbyterian church will be a vaccination site on June 4 for working with Vaccination and with education of the community. Rev. Perry was instrumental in getting our seniors COVID-19 vaccinations, even taking them in his car for their appointments.

Grace Presbyterian is in the process of distributing flyers in the community. Grace has not missed a service; our seniors are able to watch Grace on You Tube and because of this we continue to expand our congregational base.

It is an honor to watch Rev. Perry and his involvement with our seniors, youth, and congregation. He is also extremely active with the Presbytery.
