The conference will begin on Friday, July 15, 2022 at 1:00 pm. The theme is: “Reflecting on the Past, Changing the Present to make a Better Future” Proverbs 3: 1-6. We have planned an intergenerational program that we hope will be spiritual, joyful, and educational, one that we hope will enhance the spiritual growth of each attendee. Additional information with more details on the conference will be forthcoming.

The following interesting and informative workshops are being planned for the adults:

Chapter Presidents are especially urged to attend.

Our Friday evening worship service speaker to be determined.
