RE: Nominations and Ballot

Dear NBPC Member:

You should have received a nomination form in recent days which provided an opportunity to nominate members of your choice for the offices of **Vice President and Secretary**. Attached are the names and bios of members who have been nominated and the **Ballot**. The Committee has confirmed that each candidate will accept the position to serve if elected. Additionally, there is still an opportunity for you to write-in a candidate if:

- Your nominee meets the requirements listed on the nominating form previously sent.
- You have his or her approval to nominate them and they will serve if elected.
- You must attach a brief bio of person you nominate.

Thank you for your participation in this election cycle.

For Vice President:

Ruling Elder Ray Williams

Reverend LaKeshia Bradshaw Easter

Ruling Elder Darren Wilson

For Secretary:
