Dear Dr. Priest:

While browsing the internet I came across the NBPC website and would like request your assistance or guidance to help us find a minister.

Our church is Faith Presbyterian Church, USA, in Jackson MS. Our membership is 100% black and we have around 75 active members. We have been without a minister for ten years and in dire need of someone to lead our congregation.

As in most Presbyterian churches (USA), our congregation is mostly older members from charter families at the church's inception in 1947. We would like to have an innovative minister to grow our church, even first ordained. You can see a copy of our Pastor Information Form (MIF) online at **Church Leadership Connection**, click on **Opportunity Search**, then click on **search opportunities in a particular church/organization** and type in **Faith Presbyterian Church, Jackson, MS**.

If NBPC could provide any information to help us with this search for a minister, we would certainly appreciate it.

If you need additional information you may email me at abbbrad@comcast.net.

Prayerfully submitted,

A handwritten signature in cursive script that reads "Agatha Bradford".
